We are keen on achieving our goal of excellence, we would like to hear from you.

Admission is on
www.keenbritishschool.org

Information and Communication Technology:

We have varieties of programmes as regards this. App development, Website development, Coding, software development and computer programming form part of our students' ICT skill development. PowerPoint, Photo-shop and internet application are our basic focus in our school computer programme.

Training on Robotics, Lego Mind storm and Mbot are also available. application like Word, Excel,

Students-prenuer:

In addition to the academic knowledge imparted on our students, we also encourage our students to learn other skills. Barbering, catering, hair making, fashion design are taught intensively in our school in such a way that a graduate of Keen British School would have acquired at least one skill or the other before graduation.

THE HIBISCUS (MARRY AS A VIRGIN): This program was introduced in order to help our youth and teenagers guide their minds and get themselves protected wherever they find themselves. Sex education and the dangers of premarital sex are taught by the school counselors during this program.

Student Mentor-ship Program:

A small group of students assigned to a mentor to encourage self-expression and discussions that help them handle real life challenges common to young people.

Effective transportation system

SPORTS: Sport facilities are available through which we intensively train the students in various sport activities enough for them to compete internationally, some of our sport activities are: football, Basketball, Swimming and other extra- curricular

in agreement with
School Football Academy.

Our Curriculum

Our school incorporates in its scheme, the British Curriculum and the federal ministry of education curriculum, alongside some other academic programmes which are considered absolutely necessary for the students to attain excellence.

OUR VALUES

Our values are at the heart of our school.

Responsibility, Creativity, Confidence, Aspiration, Perseverance, Enjoyment, Teamwork.

Through these values we strive to ensure our students step on the ladder of education happily and with reward.

Our Classrooms

Modern, safe and friendly classes and school environment that provides an opportunity for each child to learn at their pace through target setting and differentiated personal needs.

PRE-SCHOOL

British Early Years Foundation Stage (3-5 years old) For our pupils between age three and five years, we follow the British Early Years Foundation Stage curriculum. Children in this class are exposed to a wide range of creative and practical activities, developing oral, literacy, numeracy, social and personal skills

ELEMENTARY SCHOOL

Intensive information technology-based activities begin from our lower elementary class and this continues to upper elementary. Our year students are exceptional as so many online assignments help them to stand out extraordinarily
